

# Long Range Subsea Proximity Switch

## LR PS Specification

### GENERAL

- |                       |                 |
|-----------------------|-----------------|
| • Part no.            | P001-INT-2      |
| • Material            | Stainless steel |
| • Water Depth         | 1500 MSW        |
| • Power supply        | 24VDC 200mA     |
| • Sensing Material    | Ferrous Metal   |
| • Sensing Distance    | 20mm max        |
| • Contact Arrangement | Inductive, PNP  |
| • Mounting thread     | M18             |
| • Connection          | Wavecon RCA04M  |
